**Due to limited facility space & business operational hours, parking preference is for the competitors at Greater Phila SchH Club. Some parking may be allowed on the grass if conditions permit. Parking overflow may use the *gravel parking area* located at Laura's 2 Restaurant, Ridge and County Line Roads, Tylersport and walk to the site. We appreciate the restaurant allowing us to utilize the parking area and would encourage people to patronize their business. Please respect the grounds at both facilities.**
