

Heidi Theis has been breeding German Shepherd Dogs under the kennel name vom Theishof for 35 years. Heidi is a breeder that places heavy emphasis on correctly balanced temperament, strong nerve, obedience talent, and natural working drives. Most females that Heidi has used or uses for mothers are shown, handled, Breed Surveyed, and titled by Heidi to SchH/IPO/IGP 3 level, with her best female, Hemi 6.4 vom Theishof having achieved with Heidi, IPO 3, IGP 3, FHV, FH1, FH2, & IGP-FH. Heidi's breeding philosophy is to breed a German Shepherd Dog of normal temperament and of middle ground, as the breed was intended.

As the National Breed Warden, Heidi serves USCA as the Chair of the Breed Advisory Committee and is a Line Officer for USCA. In this position, she is committed to preserving the working characteristics and temperament of our great German Shepherd Dog breed. Heidi

is also more than willing to share her well rounded GSD knowledge, particularly of breed rules and standards or helping working line enthusiasts to prepare their dogs for the breed ring and breed survey.

Please enjoy some of Heidi's most notable accomplishments in USCA, she is particularly proud of the IGP-FH (82/91) earned on her BHOT (Breeder, Handler, Owner, Trained) female, Hemi 6.4 vom Theishof.
