

Robin Ayling

I've been involved in "Schutzhund" since the mid 80s, getting my start in the sport while living in Germany (24 yrs) my first club was Darmstadt Sud, which I was a member of for 3 years until getting transferred to Bad Kreuznach, Germany. Where I became a member of OG Wollestein, at this club I qualified and competed in the Bundesseiger prufung, the 1st American to do so.

I am Regional Director of Mid Central Region as well as training director of my club Flint Hills Working Dogs

I have competed in many national and international trials both in the USA and in Europe. Currently I am working my dog Dave von Siegerherz and will keep an offspring from him.

In April of 2015, I received my USCA judges license #42. I am proud to be part of this organization
